I'm a front-end developer working with modern technologies such as React.js, Next.js, TypeScript, and more. Although I'm at the beginning of my career, I have worked on and am currently working on several projects where I prioritize attention to detail, clean code, and user-friendly design. Every day, I strive to learn something new and grow my skills and experience through real-world development.

EDUCATION

Fergana State Technical University

2024-09-20 - 2028-07-20
